

Kitchen Designer

We are a customer-focused, collaborative team that encourage innovation. Our goal is to revolutionise how kitchens are designed and sold. When it comes to planning a kitchen, we know there is a better way than showrooms and salespeople. We are a new and ambitious team who are genuinely excited about shaking up the kitchen industry with our new way of working.

We are seeking a talented and experienced **Kitchen Designer** to join our team.

We are looking for someone with an ambitious, can-do attitude who can build strong relationships with integrity. Working within our team of designers and reporting directly to the Design Team Leader, you will be taking an important role designing and selling kitchens to our customers.

Duties:

- Collaborate with clients to understand their needs and requirements
- Create and present detailed kitchen layout plans and 3D visuals
- Select and recommend materials, finishes, and fixtures for the kitchen design
- Provide cost estimates for the kitchen design project
- Stay updated on current trends and innovations in kitchen design

Experience:

- Proven experience as a Kitchen Designer or similar role
- Proficient in using design software such as AutoCAD
- Strong knowledge of kitchen products and design principles
- Excellent communication and interpersonal skills to effectively build relationships with clients and team members
- Attention to detail and ability to work within budget constraints
- Highly organized with the ability to manage multiple projects simultaneously

If you have a passion for creating beautiful and functional kitchen designs and are confident in engaging with customers on a virtual platform we would love to hear from you. Join our team of talented designers and help our clients bring their dream kitchens to life.

We offer a competitive salary with additional benefits including company pension, 23 holidays plus your birthday, a generous staff discount on our kitchen products and you will be fully supported through your training and development. Please note we do not pay our designers commission, it's a big part of our culture. Instead, we reward you for reviews and recommendations and offer a performance bonus scheme.

We are a flexible employer so we are open to discuss set hours and days, predominantly based at home with the expectation to attend the head office in Bolton for training, team meetings etc. **We do require some Saturday and Sunday cover as a minimum.**
